# Guest of Honor: KHOI PHAM

Khoi Pham is a long-time penciller for Marvel Comics and Image Comics. He recently provided the artwork for the first five issues of Image Comics' "Cyber Force," as well as a nine issue run on Marvel's "Scarlet Spider" series.

Prior to that, Khoi provided the artwork for "The Mighty Avengers," "Avengers: Earth's Mightiest Heroes," "X-Men: Legacy," "X-Factor," "Chaos War," and "The Incredible Hercules." Khoi was also a featured artist in Image Comics' "Wonderlost" and "Outlaw Territory."

Khoi was Hero Bot Con's Guest of Honor in 2011, and we are thrilled to have him join us in the same capacity again this year. His presence and dynamic artwork thrilled attendees in the past, and this year will be no different. Hero Bot Con proudly welcomes Khoi Pham as the 2013 Guest of Honor!
